## **FLOWER MOUND – 24 Hour EMERGENCY CENTER MEDICAL CENTER OF LEWISVILLE**

### **We're expanding to better serve you.**

Flower Mound will get its first full-service, 24/7 emergency center when Medical Center of Lewisville's Flower Mound Emergency Center and Flower Mound Imaging begin serving the western portion of Southern Denton County. For more than 30 years, Medical Center of Lewisville has provided comprehensive and compassionate health care to Southern Denton County. Now we are bringing our excellent care and innovative medicine to Flower Mound. Flower Mound Imaging will be an outpatient imaging center offering the latest technologies and services, including after-hours and weekend availability. Watch for our grand opening at FM 2499 and Windsor Drive in Winter of 2009!
